

Wisely Clean Government Services LLC

Federal Capability Statement

Overview

Wisely Clean Government Services LLC delivers procurement-ready janitorial, sanitation, and facilities support services for federal, state, and municipal agencies. Our operations are structured to support compliance, scalability, and consistent service delivery across regulated public-sector environments.

Core Capabilities

- Custodial and janitorial services for government facilities
- Restroom sanitation, restocking, and consumables management
- High-touch surface disinfection and preventive hygiene programs
- Floor care services (sweep, mop, scrub; strip & wax as applicable)
- Day porter services and common area maintenance
- Post-construction, emergency, and special-project cleaning

Facilities & Environments Served

- Federal buildings and agency offices
- State and municipal facilities
- Public healthcare facilities (VA hospitals, clinics, medical centers)
- Educational institutions (K–12 and higher education)
- Courthouses, administrative buildings, and public campuses

Key Differentiators

- Federal procurement-aware operational structure
- Compliance-focused service delivery and site-specific protocols
- Quality control checklists and performance verification
- Flexible staffing and scalable workforce model
- Professional documentation and reporting support

Past Performance

- Janitorial and sanitation services (commercial and institutional)
 - Facility cleaning and maintenance support
- References available upon request.
